TAKE A CLASS

“Take a personal finance class. I left college knowing about how to make money in my field but not what to do with it. I wish I had taken a class covering things like how to budget your income, invest in retirement accounts and pay down loans, plus a basic rundown on how to do a tax return or how a mortgage works.”

**WHAT CAN YOU DO
THIS WEEK TO SAVE?**

A young man with short brown hair and a bright smile is sitting in the driver's seat of a light blue car. He is wearing a vibrant blue V-neck sweater over a grey t-shirt. He holds a black car key in his right hand, raised towards the camera. The background is a blurred, light-colored setting, possibly a car dealership.
